REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The primary reason for the allowance of the claims in this application is the inclusion of a combustion system for powering said marine vessel in combination with a regenerative fuel cell. Such a limitation further breathes life and meaning to the marine vessel in the preamble.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
